

Why are you stopped?

Because the light is red.

What are the top 3 hazards you are paying attention to? Please describe in detail.

The top three hazards in the video are the red traffic light, pedestrians crossing the street, and the car in front of the driver. The red light indicates that the driver must come to a complete stop, and pedestrians are crossing at the crosswalk. Additionally, there is a car stopped in front, which requires the driver to be cautious and maintain a safe distance to avoid a collision.

When can you go?

As the light turns green and the pedestrians cross the street.
